59 applicants or 75% have completed their modules and praxis II exam

Deb Giles May 2024:

L/RSB: Renewals are continuing to be processed quickly *if* all information in the application is clear and accurate and the educator does not need a new CRC for the AOE.

Annual L/RSB Surveys are being created to email to all Boards in late May/early June. Regional trainings for Superintendents and HR personnel have been scheduled at three venues and sign-ups are now on-going for those trainings.

Grant Scope of Work Documents have been prepared and information regarding fiscal agents for RSBs and private LSBs is being collected.

Three Summer Conferences for L/RSBs have been arranged with venues and awaiting finance approval before dates and sign-ups are released to the field.

Deb also continues to address questions and concerns from L/RSBs and educators regarding relicensure.

Current Work Queue per application type as of 5-8-2024: *Applications in the work queue are in various stages of processing from just received to waiting for payment from applicant.*
