

Thank you to all who have worked to create Act 1, discussion and consideration.

I am a member and educator at Beth Jacob and JCOGS. I am an occupational therapist, consultant to educate teachers, and a parent of an elementary school student at UES in Montpelier.

Please include part B. We need to include education of all people with histories of genocide, including anti-semitism. Education of teachers and students is where we must begin to end hate crimes.

Sincerely,

Debra Ann Pinsof-DePillis, MA, MS OTR/L
