TOURETTE SYNDROME AND ASSOCIATED DISORDERS IN THE CLASSROOM AND SCHOOL

FRIDAY, JANUARY 27TH, 2012

9:00 AM—12:00 PM

Speaker: Kathy Giordano, TSA Educational Specialist

Capital Plaza

100 State Street, Montpelier, VT 05602

This workshop will provide authoritative information on Tourette Syndrome and commonly co-occurring conditions such as ADHD, OCD, and learning disabilities as well as the effect these conditions have on students and the classroom.

At the end of the program, participants will be able to:

1. Recognize criteria for the diagnosis of TS
2. Identify the most common neurological disorders associated with TS
3. Assess the impact of all of these disorders on classroom performance
4. Identify specific classroom strategies and techniques for working with students who have TS

Comprehensive CDs and DVDs with the most recent TSA educational articles and videos will be offered free of charge.
