

REDUCING SCHOOL ENERGY COSTS WORKSHOPS

Efficiency Vermont

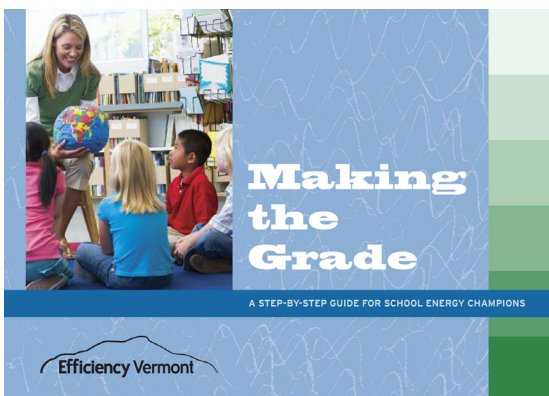

Presented by Efficiency Vermont, these FREE workshops are designed to help your school improve energy efficiency and reduce energy costs.

Who Should Attend

- School administrators
- School board members
- School facility managers
- Town energy committee members
- Town officials

Learn About

- A step-by-step approach to reduce school energy costs.
- Major energy saving opportunities in schools.
- How to take advantage of limited time enhanced incentives from Efficiency Vermont.
- Financing options for energy efficiency improvements.
- An energy efficiency success story at a Vermont school!

All participants will receive the new guide to taking action and achieving energy efficiency improvements in Vermont schools.
