

**Public High Schools – Composition of Public High School Choice Regions in Vermont
School Year 2010-2011 – Vermont Department of Education – Fall 2010**

Notes: Schools in Addison County (three schools), Rutland County (seven schools), the Southeast Region (11 schools), and Winooski Valley (18 schools), are included individually on the alphabetical list and are listed in groups on pages 3 and 4. Membership in these four regions has not changed during the last year. Apart from the larger groups, most schools are in regions with one or two other schools. The “Partners” column shows the school or schools with which a school in the left column has an agreement. When an “X” appears in the “Agreement” column, we have a copy. For questions about school choice and regions, please contact Peter Thoms: (802) 828-5104; peter.thoms@state.vt.us
