Endorsement # 3-66 – SCHOOL PSYCHOLOGIST

Instructional Level: PreK- 12

The holder is authorized to provide school psychological services in grades PreK-12.

Additional Requirements:

- A National Association of School Psychologists (NASP) Specialist Level or Doctoral degree or an American Psychological Association accredited Doctoral degree in School Psychology, or the equivalent.

For the purpose of equivalency, a minimum of 60 graduate semester hours (Specialist Level) or a minimum of 90 graduate semester hours (Doctoral Level) in the knowledge and performance domains of School Psychology is required. Individuals who have completed a minimum of 60 graduate semester hours in clinical, counseling, or industrial/organizational psychology shall follow the American Psychological Association guidelines for re-specialization in obtaining the multiple knowledge and performance domain competencies for the practice of school psychology. In addition, fulfillment of these competencies shall be demonstrated by achieving a score of 165 or higher on the School Psychology examination administered by the Educational Testing Service (ETS) – test code 0401. **Note: passage of this examination is not required if the applicant has the NASP or APA accredited doctoral degree in school psychology.**

- A NASP approved internship, APA accredited internship, or an internship with at least 600 clock hours in a school setting, or other appropriate educational setting with students, under the supervision of a licensed or certified School Psychologist who has a minimum of three years of post-degree experience.
- An applicant who is a Nationally Certified School Psychologist (NCSP) shall be considered to have fulfilled all of the Knowledge and Performance Standards and all Additional Requirements for licensure as a School Psychologist in Vermont.

In order to qualify for this endorsement, the candidate shall demonstrate the following:
