Happy New Year!

Happy New Year everyone! This edition of the newsletter is jam-packed with upcoming activities and trainings, so 2009 is sure to be a busy year. Please be sure to check out the information about the Youth Tobacco Activism Summit, and register for a [N-O-T](#) facilitator training if you haven't already. You can also revisit the important events that took place in 2008; the good, the bad, and the ugly! Please note the RFP for your 2009-2010 tobacco prevention grants will be emailed to you on January 26th; plenty of time to work on your grant in advance of the May 1st deadline. I'll also be sending out registration information for the spring regional trainings shortly, so be on the look-out!

Register Now!

Register [here](#) to attend the *Empowered for Change: Youth Tobacco Activism Summit*. The Vermont Department of Education has contracted with Essex CHIPS to organize this one of a kind event. This summit will be full of terrific national speakers and is FREE for all Vermont 8th-12th grade students and their advisors.

Through with Chew Week Toolkit

Through with Chew Week will occur February 15th-21st. To help you prepare for your event, the Through With Chew Week website created a toolkit with everything you need: background information, sample resolutions, and fun activities. Though the toolkit was created especially for Wyoming, you can still use these activities to raise awareness and promote local community events. To download your brochures and toolkit, [click here](#).
