**Do I have to pay a registration fee each time I register to take a Praxis test?** No. Test takers are required to pay the registration fee only once during a testing year.

**I have taken my test; how long before I get my results?** Scores will be available to candidates online approximately four weeks after the test date. A candidate can get their scores earlier by utilizing the Scores-by-Phone service. For more information on score reporting dates and accessing scores, see [Getting Your Praxis Scores](#).

**I took the Praxis II Elementary Education test and failed one section; what do I do now?** A candidate who fails a section must re-take that section only.

**I took the Praxis I or the Praxis Core tests for Educators test and failed a section; what do I do now?** Praxis I tests are no longer available. A candidate that failed a section of Praxis I must now take the Core Academic Series. A candidate that fails a section(s) of the Core Academic Series must re-take the section(s).

**I took the Praxis I & II tests a few years ago in a different state. Can I use those scores or do I have to take the test again?** If candidates complete tests that have the same title codes as the tests Vermont has adopted and the scores meet or exceed Vermont's passing scores, these scores can be used. Candidates should contact the Educational Testing Service and request that an official score report be sent to the Vermont Agency of Education using recipient code "8410."

**I want to apply for a license in Career and Technical Education or support professional (e.g., school nurse, guidance counselor, online teaching specialist). Do I need to take a Praxis test?** Yes. All candidates applying for initial Vermont licensure must meet Vermont's passing scores on the Core Academic Skills for Educators as well as any identified Praxis II tests associated with the endorsement being sought.

**Will there be other endorsement areas that will require a Praxis II Subject Assessment test?** Subject assessments for other endorsement areas may be adopted in the future.

**How do Vermont's testing requirements apply to Peer Review candidates?** Peer Review candidates must meet all licensure testing requirements that are in effect when the Licensing Office receives the candidate's application for a license. Please note that Peer Review candidates can only apply for a license after the panel has recommended the candidate for licensure and the candidate has received written confirmation of such from the Licensing Office.

**I am applying for SLP/Audiology licensure in Vermont. What tests are required?** Applicants for the Educational Speech Language Pathology endorsement must meet the passing scores for the Core Academic Series.

**If I passed a Praxis II content knowledge test (English, math, science or social studies), do I also need to pass a middle grades Praxis test in the same content area to obtain a middle grades endorsement?** No. A Praxis II passing score in a secondary content area will meet the

testing requirements for the middle grades endorsement in that same content area. For the middle grades science endorsement, the general science test can be substituted for the middle grades science test.
