Note

Vermont requires two (2) types of foreign transcript analysis:

- General Evaluation, and
- A Course-By-Course Evaluation

You must request both of these analyses. Please request that an official copy of the results be sent from the organization to: Vermont Agency of Education, Office of Educator Licensing, 219 North Main Street Barre, VT 05641. **Next, you must immediately complete Step 2!**

Step 2

- Send a cover letter with your name, address, and Social Security Number to the Office of Educator Licensing, requesting that the department perform a transcript analysis when your Credentials Report is received in our office.
- State which organization is conducting the Credentials Report and the date the review was requested.
- Submit \$50.00 (US Funds) for this review. Make checks payable to the Vermont AOE Licensing Office.

If you have followed Step 1 and Step 2, we can begin your review as soon as the report is received. Incomplete requests will be returned to the applicant.

### Step 3

Vermont licensing policy also requires that you show study in the following areas. This study may have been included in your college education, U.S. citizenship classes or other forms of study. You must provide evidence of:

- General knowledge of American history and culture.
- Coursework in the education of the exceptional child (special education).
