Vermont Testing Requirements for Educator Licensure

Effective July 1, 2016

Academic Skills for Vermont Educators

Candidates seeking initial educator licensure in Vermont who do not hold a current non-conditional out-of-state-license from a state that has signed the NASDTEC agreement are required to meet the passing scores established by the Vermont Standards Board for Professional Educators (VSBPE) for the **Praxis Core Academic Skills for Educators (CORE®)**. Educational Testing Services (ETS) has completely phased out Praxis I, which means the tests are no longer available. The **Praxis Core tests** have replaced the Praxis I. The core academic skills tests for educators include three tests: Reading (5712), Writing (5722), and Mathematics (5732). The Praxis Core subtests measure whether educators have the necessary reading, writing, and mathematical knowledge/skills. The Praxis Core does not assess one's knowledge of teaching nor does it predict who will become a good teacher or administrator. All candidates need to pass *each and every one* of the Core tests to be eligible for licensure; there is no combined score for Praxis Core tests.

Praxis Core Academic Skills Test

Combined Test (includes Reading, Writing, and Mathematics Tests): Test Code 5751 (Cost - \$150.00)

Reading: Test Code 5712 – pass score is 156 (Cost \$50.00 registration fee plus \$40.00 per test)

Writing: Test Code 5722 – pass score is 162 (Cost \$50.00 registration fee plus \$40.00 per test)

I took the Praxis I or the Praxis Core tests for Educators and failed a section; what do I do now? Praxis I tests are no longer available. A candidate that failed a section of Praxis I (e.g., math) must now take the corresponding Core Academic Series exam (e.g., math). A candidate that fails any section(s) of the Core Academic Series must re-take the section(s).

I took the Praxis I & II tests a few years ago in a different state. Can I use those scores or do I have to take the test again? If candidates complete tests that have the same test codes as the tests Vermont has adopted and the scores meet or exceed Vermont's passing scores, these scores can be used. Candidates should contact the Educational Testing Service and request that an official score report be sent to the Vermont Agency of Education using recipient code "8410."

How do Vermont's testing requirements apply to Peer Review candidates? Peer Review candidates must meet all licensure testing requirements that are in effect when the Licensing Office receives the candidate's application for a license. Please note that Peer Review candidates can only apply for a license after the panel has recommended the candidate for licensure and the candidate has received written confirmation of such from the Licensing Office.

If I passed a Praxis II content knowledge test (English, math, science or social studies), do I also need to pass a middle grades Praxis test in the same content area to obtain a middle grades endorsement? No. A Praxis II passing score in a secondary content area will meet the testing requirements for the middle grades endorsement in that same content area. For the middle grades science endorsement, the general science test can be substituted for the middle grades science test. NOTE: Middle Grades Praxis II content tests cannot be used for secondary English, math, Social Studies or Science endorsements.

Can I have my college send the AOE my test scores? No, only test scores received **directly from ETS** will be considered official.

There is no replacement for the required Praxis II test in the subject matter for which you have been recommended for licensure.

accepted a NOTARIZED paper copy of passing scores. The Notary will attest to the fact that the test scores are a true/accurate copy.

- If you test in Vermont, your score report will be sent automatically to the Vermont Agency of Education. If you test outside of Vermont, select the Vermont Agency of Education (**State Code 8410**) as a score recipient when you register or on an additional score report request.
