

Child Nutrition Administrative Review List

School Year 2023-2024

During School Year 2023-2024, the following list of School Food Authorities (SFAs) will be subject to an Administrative Review of the School Nutrition Programs. Most of each review for this year will be conducted off-site. The on-site portion of the review will be limited to meal service observation and will typically be conducted on a Wednesday. On-site review days may be adjusted due to holidays and the total length of the review may be shortened for smaller SFAs. The lead reviewer will provide the Administrative Review Notice that will include the on-site review date(s) and Programs selected for review along with the Administrative Review Document List in early September.
