

2021-2022 Public and Private Prekindergarten Providers List and Prequalification Status

PreK stakeholders should consult this list regularly to ensure that children may receive publicly funded PreK services for 2021-2022 from providers who meet prequalification requirements. The Agency of Education will post this list monthly on the [Universal Prekindergarten webpage](#). Please be certain that you are working from the most recent report.

Using the Data Report

All public and private providers that have or are seeking prequalification for 2021-2022 are included in this list. The Agency uses the names and towns of providers that are provided through the prequalification on-line application process. Any errors in spelling, name or town are due to data entry issues.

For 2021-2022 status, providers are classified in one of several categories:

1. **Prequalified for 2021-2022.** Providers have a prequalification application due in future years. Providers in these categories and school systems *may enter* into partnership agreements to ensure PreK services are delivered. Due to COVID-19 closures of fingerprinting sites, some renewing UPK programs will receive a *conditional approval status* to allow them to complete the fingerprinting process in 2021.
 - a. **Prequalified-App due 2021**
 - b. **Prequalified-App due 2022**
 - c. **Prequalified-App due 2023**
 - d. **Prequalified-App due 2024**

If you have questions relating to this list or anything related to eligibility to become a prequalified prekindergarten provider, please contact Wendy Scott, Universal Pre-K Coordinator at AOE.UPK@vermont.gov.
