Agreed Upon Evidence Practices & Resources

Evidence-Based Assessment Practices for K-3

Screening

- Screen for potential reading problems at the beginning & middle of the year (IES Practice Guide - RTI)
- Use screening assessment to find students needing extra help, follow up with assessment & review of strengths & weaknesses to plan intervention (CEEDAR K-5 Reading)
- Use screening tools to determine which students are at risk for reading difficulties (Moats, 2020)

Monitor Progress

- Regularly monitor the progress of students at risk (IES Practice Guide - RTI)
- Monitor the progress of tier 2 students at least once a month (IES Practice Guide - RTI)

- Use frequent ongoing assessment to provide information about instruction & effectiveness of the instruction (CEEDAR K-5)

Outcome assessment

- Use outcome assessment to determine achievement of expected levels of performance (CEEDAR K-5)

Evidence-Based Instructional Practices from IES Practice Guides for K-3

Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade

- Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge.
- Develop awareness of the segments of sounds in speech and how they link to letters.
- Teach students to decode words, analyze word parts, and write and recognize words.
- Ensure that each student reads connected text every day to support reading accuracy, fluency, and comprehension.

Improving Reading Comprehension in Kindergarten Through Third Grade

- Teach students how to use reading comprehension strategies.
- Teach students to identify and use the text’s organizational structure to comprehend, learn, and remember content.
- Guide students through focused, high-quality discussion on the meaning of text.
- Select texts purposefully to support comprehension development.
- Establish an engaging and motivating context in which to teach reading comprehension.

Assisting Students Struggling with Reading: Response to Intervention (RtI) and Multi-Tier Intervention in the Primary Grades

- Screen all students for potential reading problems at the beginning of the year and again in the middle of the year.
- Provide time for differentiated reading instruction for all students based on assessments of students’ current reading level.
- Provide intensive, systematic instruction on up to three foundational reading skills in small groups to students who score below the benchmark score on universal screening.
- Monitor the progress of tier 2 students at least once a month.
- Provide intensive instruction on a daily basis that promotes the development of the various components of reading proficiency to students who show minimal progress after reasonable time in tier 2 small group instruction.
