Dual Enrollment Frequently Asked Questions for Colleges

Q: I am logging in for the first time, what is my password?

A: If this is your first-time logging in, use the password provided to you by the Vermont Agency of Education (AOE). Once you log in, the system will prompt you to change your Password.

Q: What is my username?

A: Usernames are always your full name (first name, space, last name), i.e., Scooby Doo.

Q: I forgot my password, how do I reset it?

A: From the login page, select the "Forgot Password?" link. You will be prompted to provide your name, email, and security question(s).

Q: Where do I submit course information?

A: Course information can be submitted using the Agency of Education [secure folder](#). You must have your username and password provided by the AOE to upload course files.

Q: Do I have to submit files for upload with course registration and grade information?

A: You have the option to import files or manually enter this information into the system. If you choose to import files, you must use the AOE secure folder.

Q: Why can't I see a specific student in the open vouchers for my college?

A: If you can't see a student under open vouchers – this is because the student has not yet had a voucher approved by the high school. Colleges will only be able to view vouchers that have been approved by the high school.
