Item: VSBPE Policy Corrections

ITEM: Will the Vermont Standards Board for Professional Educators accept the corrections to the VSBPE ROPA Policies N1-N22?

AGENCY RECOMMENDED ACTION:

That the Vermont Standards Board for Professional Educators accept the corrections to the VSBPE ROPA Policies N1-N22 as submitted.

BACKGROUND: In reviewing the VSBPE ROPA Policies (Policies N1-N22), it was discovered that many of the words and phrases were outdated. Examples include: Vermont Department of Education instead of Agency of Education; twelve weeks of required student teaching instead of thirteen weeks; VSBPE Higher Education Committee instead of Program Approval Committee; and others of a similar nature. This was brought before the PAC at their meeting on February 14, 2018. Ellen Cairns, AOE ROPA Consultant, offered to update the policies and Ric Reardon, PAC Chairperson, accepted the offer.
