

**Education Quality Team
Staff Report for 28 of March 2024**

Updates:

Renewals are in full swing. We anticipate receiving around 3,709 this year, which include level I and level II licenses.

Wendy Scott and Tammy Bates from the AOE Universal PreK Program are planning on expiring the AOE ECE/ECSE provisional license waiver as of 6-30-25. The waiver is currently expected to expire on 6/30/2026 but due to lack of mentor funding, fewer applicants applying who have very little experience in early education they have determined not to continue the waiver.

Rob Schulze, Associate Professor Special Education from Vermont State University wanted to pass on a issue for the board to monitor. They are placing special education teacher prep students in placements for the fall, and are having a very hard time finding schools that have a licensed special educator in them. There are so many schools that are saying they would love to have a student teacher, but every single one of our special educators is on a provisional. This is of course making it harder to create new special educators who are licensed, since there is a lack of places to place them for training, which potentially makes the shortages worse, making it a self-perpetuating problem. If it gets to the point where we literally can't find a placement, we may need to ask for some sort of relief.

Approved Substitute Rule 5382 long-term sub 30 student days for Adelaide Brooks in the first grade classroom for Addison Northwest SD.

Deb Giles March 2024:**L/RSB:**

An L/RSB March Newsletter for 2024 was emailed to all L/RSB Chairs and Co-Chairs with various pieces of licensing information on March 20, 2023.

Online meetings are being scheduled with individual Boards. 20/61 L/RSB have held or scheduled a virtual meeting to date.

All eligible L/RSBs submitted a grant via GMS (Grant Management System) and were approved by early February.

Boards continue to submit Appendix A (Agreement of Support) and Appendix B (Policies and Procedures) to Deb for review.

2024 renewals continue to be submitted to the AOE. The main reason for delays is due to improper employment being entered by the educator.

Deb also addresses questions and concerns from L/RSBs and educators regarding relicensure.
