Teacher Resources Accessible Ahead to Stream On-demand and Through Broadcast

Teachers and community members can navigate resources in two ways:

1. Access weekly thematic bundles with specific episodes highlighted per week by content area and age-level that are available to stream on-demand. These episodes connect to specific resources on [PBS LearningMedia](#) and [PBS Kids for Parents](#).
2. Use the [Vermont PBS grids](#) with the Incorporating PBS guides to help pick and choose specific educational series that align with content focus, standard, and age-level. Not all content is available on-demand.

Looking for Specific Content Connections?

- Go to [PBS LearningMedia](#) and search by content, standard, or grade.
- Search resources by using the [Incorporating PBS Documents](#) by series, age, or content.
