Early College

Early College is reimbursed at 87% of the annual base education amount, currently \$12,501, and is intended to cover tuition for both semesters, not each. All participating colleges are currently being reimbursed at a rate of \$10,876.

* These guidelines provide the current FY24 rates. Please note, the VSC Board determines the CCV tuition rate annually, and the Vermont legislature determines the base education amount annually, therefore rates could change based on their actions.
