---

Edmodo Feature	Description	ETA
Org Admin – Member Management	Org Admins will be able to view and manage all members of the Org, organized by District and School	Week of 7/27
Enhanced School Directory	Teachers will be able to add additional students to their class, by searching from a pool limited to students that attend the school	Week of 8/10
Admin Class Management	Org / District / School Admins will be able to add, view, edit, and delete classes within their purview	Week of 8/10
Zoom Integration	Edmodo will have native Zoom support, enabling Orgs to integrate their existing accounts, or to buy a new license via Edmodo ( <i>additional per user fee</i> )	Week of 8/31
Lesson Builder	Teachers can organize, and pre-schedule, both synchronous and asynchronous tasks for students within a daily planner	Week of 8/31
Private Discover	Private Discover is a place to house resources (i.e. digital textbooks, activities, etc.) that should be available to the entire Org, or a specific School or District. Teachers can easily access these resources and use in their classroom space.	Week of 8/31

<b>Smart Institutional Pages</b>	Users will have a single source of truth for all Org, District, and School announcements, that will be filterable by institutional level. They will no longer need to navigate between multiple different pages.	Week of 9/7
<b>Enhanced Group Discovery</b>	Users will have a single source of truth to “discover” groups available to them based on their Org, District, and School association. They will no longer need to navigate between multiple different pages to find these groups.	Week of 9/7
<b>Self-Service Add Users (for Admins)</b>	Admins will be able to add new users by upload a CSV directly within the platform. They will no longer be required to send a file to Edmodo Support.	Week of 9/7
<b>Bulk Create and Roster Classes (for Admins)</b>	Admins will be able to create multiple classes and roster them with teachers and students via a CSV upload directly in the Edmodo platform	Week of 9/7
