

## VERMONT APPROVED EDUCATOR ENDORSEMENT CODES

Each license must have one or more endorsements. An endorsement specifies the instructional level and the endorsement content area in which the license holder is authorized to perform educational services. The first digit in an endorsement code denotes the grade or age range the educator may serve, and the latter two digits denote the content area. (Example: 2-05 = Grade 7-12 English)

<b><u>Instructional Levels</u></b>		
Some instructional levels are restricted to specific endorsements. Please refer to the endorsement competencies and endorsement authorization statement (located under the endorsement name) for the instructional levels available for the endorsement. <b>Note: Not all instructional levels can be assigned to all endorsement.</b>
