What is a complaint?
A complaint is a written allegation that a school, school district, supervisory union, other agency authorized by a LEA or the SEA, or the SEA has violated the law in the administration of education programs required by the ESEA. A formal allegation must be submitted in writing.

Complainants are encouraged to resolve the issue by speaking to the party in question directly or to speak to the applicable school, district, or supervisory union staff. If the complainant either does not feel comfortable doing so or does not receive a satisfactory resolution, they may file a formal complaint.

3. *Investigation and Resolution.*
   a. If the complaint is concerning actions of the LEA or schools within an LEA’s service area, the SEA will notify the superintendent of the LEA involved within 10 business days of receipt of the complaint. Upon receipt of the complaint, the SEA will look into the situation and request documentation needed from the LEA to clarify the facts. The SEA General Supervision & Monitoring Director, or designee, will coordinate the investigation and resolution of the complaint. This may include interviews with the complainant and LEA and/or school staff; review of policies and procedures; and/or review of other pertinent documentation.
   b. If the complaint is concerning actions of the SEA, the SEA General Supervision and Monitoring Division Director, or designee, will coordinate the investigation and resolution of the complaint.

4. *Report.* Within 30 business days of receipt of the complaint, the SEA will produce a written summary of the investigation and complaint resolution.
5. **File.** The SEA will retain a record of all complaints, findings and final resolutions. These documents are considered public record and may be made available to parents, teachers, and other members of the general public in a format that meets privacy law requirements.
