

Instructions to Special Education Forms

Form 3a – Consent for a Special Education Evaluation

This form is sent as an attachment to Form 3 – Notice of a Special Education Evaluation but only when written consent is required to conduct the evaluation. *Upon receipt of this form from the parents or adult student, the district must complete the section Date Received in District.* The **Date Received in District** is critical to the evaluation process as it serves as the starting point for the 60 calendar days during which the district **must** complete the initial evaluation.
