Community Eligibility Provision Participation – Site Declaration

Use this form to indicate the school(s) in the SFA that will participate in CEP. When participating as a site, the site will have its own claiming percentage. If participating as a group, indicate the group number and sites within that group. Each group will have a claiming percentage that will be used for all sites in that group.

Submit this form with the Enrollment List for each site/School as of April 1 and the direct certification documentation for all identified students so the State Agency may validate the Identified Student Percentage for each site wishing to begin CEP.
