Sexual Health Services

HIV, STD and pregnancy testing • STD treatment • provision of condoms • provision of contraceptives • and HPV vaccine administration

Barre Supervisory Union has the following components for referral of students to sexual health services:

- ✓ Organizational partnerships, whether formal or informal, between districts and youth-friendly sexual health service providers
- ✓ A list of youth-friendly organizations to which youth can be referred for sexual health services

Safe and Supportive Environments

Brings together schools, community, parents and youth to build supportive and safe school-based environments designed to prevent bullying and violence

Barre Supervisory Union recommends or requires schools to:

- ✓ Designate a staff member to whom students can confidentially report student bullying and sexual harassment, including electronic aggression
- ✓ Use electronic or oral communication to publicize and disseminate policies, rules, or regulations on bullying and sexual harassment, including electronic aggression.
- ✓ Provide information and resources to parents on preventing student bullying and sexual harassment, including electronic aggression.
- ✓ Have a student-led club to create a safe, welcoming, and accepting school environment for all youth, regardless of sexual orientation or gender identity.
