

Recommended Action Steps and Timeline for Student Participation in Early College

This chart is intended for students interested in pursuing the Early College Program. Through the Flexible Pathways Initiative ([16 V.S.A. § 946](#)), Vermont's Early College Program (ECP) has made funds available to students accepted into full-time programs that are developed and operated by one of the Vermont State Colleges or an accredited private postsecondary school located in Vermont, and that are approved for operation by the Secretary of Education. The Vermont Dual Enrollment Program, [16 V.S.A. § 944](#), includes up to two college courses for eligible Vermont high school students, tuition free. Students remain enrolled in their high school for the Dual Enrollment Program whereas they need to unenroll from high school to participate in the Early College Program; both of these programs have [specific implications for students on IEPs](#). Though not a requirement, it is strongly encouraged that students participate in a Dual Enrollment (DE) course prior to the Early College Program.

Timeline	Recommended Action Steps
9 th – 10 th Grade	<ul style="list-style-type: none"> • Explore college and career options via the Personal Learning Planning (PLP) process • Discuss college planning with your school counselor (Considerations for Student Participation in a Flexible Pathway tool) • Use this crosswalk document to learn more about different student learning plans and how they can be leveraged to be prepared for successful participation in college courses • If you are on an IEP and are considering early college, it is important for you to meet with your school counselor to discuss the services available at the college that will best meet your needs. Click here for additional transition resources for IEP teams
10 th Grade Fall Semester	<ul style="list-style-type: none"> • Consider taking CCV Intro to College and Careers • Explore college and career options via the Personalized Learning Planning process • Meet with your school counselor to identify self-assessments you can take to determine readiness and next steps for post-secondary options • Discuss college planning with your school counselor (Considerations for Student Participation in a Flexible Pathway tool)
