**Hilton Hotel, Burlington, Vermont**  
**March 28, 2019**

The Vermont Agency of Education, UVM Early Childhood Birth-Grade 3 Program, and Vermont Association for the Education of Young Children (VTAEYC) invite you to participate in the 27th Annual Kindergarten Conference. This conference brings together kindergarten and primary level teachers, prekindergarten teachers, school and program administrators, pre-service teachers, and teacher educators to explore evidence-based practices, discuss issues, learn from each other, and become rejuvenated and inspired.

**Little Hands, Big Work: Sustainable Development Goals in Early Childhood Education**

Susan Koch and Sharon Davison, Vermont early educators, will begin the day by sharing their work, vision and passion for exploring the Global Goals for Sustainability. They will highlight their travels to the Arctic and South America as opportunities to bridge learning and how the SDGs are embedded in learning both locally and globally.

Watch your email for more information as our program gets finalized.

The full conference program and online registration will be posted on the Agency of Education's website in mid-February. Watch the [Weekly Field Memo](#) for the registration link.
