I **do not give** my consent for a special education evaluation.

I understand that not granting my consent is voluntary and that I may change my decision at any time. If I do not grant this consent to determine whether there is an eligibility for an individual education program, I understand that should my child (or myself) be involved in a major disciplinary situation my child (or myself) would not receive the protections available only to those students with a disability or suspected of having a disability and are in the process of being evaluated.
