# Harassment, Hazing and Bullying

- Under the model policy and procedures, harassment, hazing and bullying behaviors can all take place outside of school hours.
- Reporting under the model policy:
  - Any student who believes that s/he has been hazed, harassed and/or bullied, or who witnesses or has knowledge of conduct that s/he reasonably believes might constitute hazing, harassment and or/bullying, should promptly report the conduct to a designated employee or any other school employee.
  - Any school employee who witnesses conduct that s/he reasonably believes might constitute hazing, harassment and/or bullying shall take reasonable action to stop the conduct and to prevent its recurrence and immediately report it to a designated employee.
- Nothing in the model policy and procedures would prevent the joint investigation between two schools of a complaint of harassment, hazing or bullying.
