Dear Secretary Holcombe,

I am writing to request a waiver for 2 inclement weather days for which we had to close school in March. Those 2 days would be March 8 and March 13, 2018. All of my schools with the exception of Sharon have far exceeded the number of snow days allowed in our current calendar. Without this relief, our students will have to attend school until June 20 or beyond.

I am asking that you allow us to waive these 2 days in the current calendar. Please let me know if this is possible. I look forward to hearing from you asap so we can make plans as we approach the end of this school year.

Thanks for your consideration.

Sincerely,

Bruce Labs
