**Item: UVEI Updated 7-Year Plan**

**ITEM:** Shall the VSBPE accept UVEI's updated 7-Year Plan as submitted?

**AGENCY RECOMMENDED ACTION:**

**That the VSBPE accepts UVEI's Revised 7-Year Plan as submitted and commends UVEI for a thorough plan and rigorous continual self-study and improvement.**

**BACKGROUND:**

UVEI had a full ROPA review of its Principal program in the fall of 2015. The ROPA team recommended, and the Board accepted the recommendation, that UVEI submit an updated 7-Year Plan by October 30, 2018. This is likely because UVEI had no concerns listed on the Report, and thus was not required to complete a Two-Year Report in 2017.

**RATIONALE:**

The report is comprehensive, organized, and shows clear evidence of continual self-reflection and improvement. UVEI has incorporated the items from the ROPA report that were optional considerations into their self-study, and have worked to make improvements based on those suggestions.
