

Winter Kits for Kids and Staff Assurance Testing Distribution February 2022

As previously communicated, the week of Feb. 14, 2022, SU/SDs will be receiving Winter Kits for Kids COVID-19 antigen test kits to support return to school testing following winter break.

Cartons of test kits for independent schools local to each SU/SD will be included in the distribution. If an independent school has not picked up or made a reasonable effort to arrange for pick up after three weeks, the cartons may remain in the SU/SD's possession. Please notify aoe.covid19testing@vermont.gov in the event this occurs.

In addition, the deliveries will include Staff Assurance Testing Kits for SU/SDs and local independent schools.

The table below provides the list of schools and totals for each test type included. The independent schools listed have enrolled in the testing program by completing the [Intent to Participate form](#) as of Feb. 11, 2022, and only SU/SDs that have enrolled independent schools in their district appear on this list.
