B. Restructuring of Grade Configurations in Academic Years 2019-2020 and 2020-2021

- i. For purposes of these Articles, the words “restructuring of grade configurations,” “restructuring,” and any grammatical variations mean eliminating all classrooms for any grade or grades, prekindergarten through grade 8, operated at one or more schools and requiring children in the grade or grades to attend classrooms located in a different school.

B. Subsequent Sale of Real Property to Town in which it is Located, in Any Year in the Future

Subject to any requirements relating to school building closure in Article 4 and to the sale of buildings in Title 16 or any other Title of the Vermont Statutes Annotated, if the New Union District Board determines, in its discretion, that the real property, including land and buildings, conveyed to it by one or more of the Forming Districts will not be used for direct delivery of education in at least one grade or for any other purpose related to operation of the New Union District, then the New Union District shall offer for sale such real property to the town in which the real property is located, for the sum of one dollar, subject to all encumbrances of record, the assumption or payment of all outstanding bonds and notes, and the repayment of any school construction aid or grants required by Vermont law.

The conveyance of any of the above school properties shall be conditioned upon the town owning and using the real property for community and public purposes for a minimum of five years. If the town elects to sell the real property prior to five years of ownership, then the town shall compensate the New Union District for all capital improvements and renovations initiated after July 1, 2019 and prior to the sale to the town.
