Introduction

The Vermont State Board of Education Rules (Rule series 2200) governing independent schools provides four choices for Independent Schools:

1. **Approved Independent School:** means an independent school that meets the requirements in Rule 2223.3 as well as the requirements in SBE Rule 2225 (tuition from public funds) and SBE Rule 2226 (Application).
2. **Approved Independent School Ineligible to Receive Public Funds:** means an independent school that meets the requirements in SBE Rules 2226 (Application) and 2227 (Approval) but does not meet the requirements of rules concerning the delivery of special education services in SBE Rule 2229.
3. **Therapeutic Approved Independent School** (or Therapeutic Independent School or Therapeutic School): means an approved independent school that limits enrollment to students who are on an IEP or plan under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794 and who are enrolled pursuant to a written agreement between an LEA and the school. These schools are eligible to receive public tuition, which is inclusive of both general and special education services and is at a rate approved by the Agency of Education.
4. **Recognized Independent School:** means an independent school meeting the requirements in 16 V.S.A. § 166(c). A recognized independent school is not eligible to receive public tuition.

The following pages list in-state schools known to satisfy the requirements of Vermont compulsory school attendance law.

NOTE: Enrollment numbers are for students in grades K-12 for the 2023-2024 school year as reported in the October 1, 2023, student census collection. These numbers do not include pre-school aged children.
